Task:	<ol style="list-style-type: none"> 1) Advising the IFAN Board on the development of national IFAN membership with regards to the issue of regional distributions representing standards users from various regions, especially from developing countries; 2) Prepare a toolbox to show the benefits of IFAN membership from the existing members points of view and to find an effective strategy to attract their interest. <p>Possibly adapt toolbox or <u>some tools to</u></p>

- different categories of members (big companies, small companies, national standard user associations)
 - Developing Countries in various regions, such as South Asia, South America, Eastern and Southern Africa, East and South East Asia, Central and Western Africa, Central and Eastern Europe, Central Asia, Caribbean and central America, and Arab
- 3) Consider/reconsider fee for being IFAN member according to the different categories/countries.
- N.B. : for instance it should be directly possible during a not planned meeting, to convince somebody easily about the benefits of IFAN and get immediately the signature and the payment. This is today impossible due the complicate method of calculation of the fees linked to ISO methodology.
- 4) Make actions for developing IFAN's membership with help of toolbox and/or others methods like :
- Meet directly potential future members
 - Emailing
 - Propose actions for special advisers or board members of IFAN
 - Propose attractive information on Websites
 - Propose events to IFAN
 - Others

Members: See WG 1

Meetings: Currently the work is carried out by correspondence.
- 1st meeting was held in Luxembourg on 18 October 2011
